

ANUSH GANDHI

Chartered Accountant | ACCA (Affiliate, 10/13)
Chennai, India • +91-8637641182 • Anushgandhi1234@gmail.com

PROFESSIONAL SUMMARY

Chartered Accountant (first-attempt, all levels) with cross-border finance experience spanning audit & assurance, direct taxation, and corporate finance. Currently drive tender finance, banking, and inter-company operations across ~15 group entities for an exports & construction group with subsidiaries in Dubai and the Maldives. Co-founded an IPO advisory venture managing a rolling capital pool of ~INR 40 lakh, combining capital deployment with direct investor advisory. Combine strong technical grounding with exposure to project fund planning and controls, and early adoption of AI-driven automation (Claude, ChatGPT with Excel connectors) to streamline reconciliations, financial analysis, and reporting.

CA Foundation	Dec 2020	70%	Cleared in 1st attempt — Distinction
Class XII	Mar 2020	92%	Distinction

PROFESSIONAL EXPERIENCE

Assistant Manager — Finance May 2025 – Present

Mohan Mutha Exports Pvt Ltd

Tender Finance & Project Funding

- Lead financial pre-qualification for tenders — assessing bid capacity, working-capital adequacy, and financial eligibility criteria before submission.
- Arrange and manage bid security (EMD), performance bank guarantees, insurance/surety bonds, and Letters of Award (LOA), coordinating end-to-end with bankers to meet strict tender deadlines.
- Gained complete visibility of the project finance lifecycle — from tender application through fund arrangement, PG/BG issuance and LOA, to on-site project execution and progress tracking.

Banking & Treasury Operations

- Primary liaison with bankers for day-to-day working-capital, guarantee, and facility requirements; manage utilisation and renewals.
- Prepare and clear inter-company reconciliations across ~15 group entities, ensuring accurate intra-group balances and timely settlement.

International Finance & Project Fund Planning — Dubai & Maldives Subsidiaries

- Managed a Dubai free-zone subsidiary — overseeing financial-statement preparation, tax computations, and strategic tax planning to optimise outcomes.
- Handled day-to-day operations and fund planning for the Maldives project from head office — forecasting site cash requirements and coordinating fund flow to keep execution on schedule.
- Carried out a one-time on-site stock review of the Maldives project — performing physical stock counts and tracking site-to-site mobilisation of inventory for accuracy and control.

Project Finance Setup — Small Project

- Set up the finance function for a small project — understanding scope directly from project managers and monitoring progress through Daily Progress Reports (DPR).
- Instituted core registers and financial controls — petty-cash management, work-order reviews, and day-to-day operational checks — to strengthen project-level governance.

Business & Commercial Exposure — 'Only Earth' (Group F&B Venture)

- Explored the cashew supply chain across Delhi, Mumbai and Mangalore — understanding the end-to-end sourcing, processing and distribution cycle first-hand.
- Represented the company at Gulfood 2026, Dubai — engaging with international buyers, suppliers and industry contacts across diverse markets at one of the world's largest F&B trade fairs.

Financial Analysis & Automation

- Built AI-assisted workflows using Claude and ChatGPT integrated with Excel to automate multi-account bank-statement reconciliation, expense categorisation, and financial analysis — cutting manual effort from days to minutes.
- Prepared detailed financial workings for a family-settlement claim, analysing and structuring the underlying data.

Co-Founder — Arham Capital Ventures Nov 2024 – Mar 2025

Founded by four Chartered Accountants — IPO guidance for first-time retail investors

- Co-founded an IPO advisory and financing venture alongside three fellow Chartered Accountants — defining the service offering, operating model, and founder-level responsibilities from inception.
- Deployed and managed a rolling capital pool of ~INR 40 lakh across successive IPO cycles, optimising allocation and recycling of funds to maximise participation within each issue window.
- Onboarded and advised Retail and HNI investors end-to-end — facilitating Demat account opening, guiding the application and allotment process, and delivering investor education on primary-market mechanics and risk.
- Built a streamlined operational workflow across the founding team, compressing per-issue turnaround and enabling multiple applications to be processed within tight IPO windows.

Articled Assistant Apr 2023 – Apr 2025

Ernst & Young LLP, Chennai

Direct Taxation — Compliance & Litigation

- Handled direct-tax assessments and litigation before the Commissioner of Income Tax (Appeals) and the Dispute Resolution Panel by drafting written submissions.
- Assisted a client in securing a significant refund of INR 70+ Cr before the Income Tax Appellate Tribunal.
- Attended hearings alongside Senior Counsel at the ITAT and contributed to filing Writ Petitions before the High Court.
- Prepared, reviewed and filed income-tax computations and returns for both Ind-AS and AS compliant companies.

Articled Assistant Apr 2022 – Mar 2023

M2K, Chartered Accountants, Chennai

Audit & Assurance

- Led Internal Audit engagements for leading textile and chemical manufacturers, and performed the Tax Audit of a listed healthcare company.
- Led the IFC Audit of an NBFC with INR 25,000 Cr AUM, preparing Risk & Control Matrices and Standard Operating Procedures.
- Key team member for Fixed-Assets Audit & physical inventory verification of a textile manufacturer (INR 1,000 Cr turnover), and buy-side due diligence in the healthcare sector.
